**MESSAGES FROM THE GOVERNOR**

April 16, 2013

The Honorable Jeff Essmann  
President of the Senate  
State Capitol  
Helena, MT 59620

Dear President Essmann:

On Tuesday, April 16, 2013, I signed and delivered the following Senate bill to the Secretary of State:

SENATE JOURNAL  
EIGHTY-FIRST LEGISLATIVE DAY - APRIL 17, 2013

**Senate Bill 149** - Thomas

Sincerely,

STEVE BULLOCK  
Governor

April 15, 2013

The Honorable Jeff Essmann  
President of the Senate  
State Capitol  
Helena, MT 59620

Dear President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby **return with amendments Senate Bill 19** (SB 19), "AN ACT DEFINING THE TERM "COMBINED APPROPRIATION" FOR WATER WELLS AND DEVELOPED SPRINGS THAT ARE EXEMPT FROM PERMITTING; CLARIFYING THE DEFINITION OF THE TERM "DEVELOPED SPRING"; AND AMENDING SECTIONS 85-2-102 AND 85-2-306, MCA."

SB 19 would limit the ability of a senior water right holder to protect their property right. "First in time, first in right" is a bedrock principle of water law, but any right is only as good as one's ability to protect it. SB 19 in its current form would perpetuate a system where many water wells could be developed in close proximity to one another, collectively pump substantial amounts of water, and the holder of an adjacent senior water right would be powerless to protect that right.

Although senior water rights are held by many individuals and entities in this state, including cities and town, hydroelectric facilities, and many others, a great many of our agricultural producers hold senior water rights. I am very concerned about the impacts of SB 19 on agriculture, the largest sector of our economy.

For example, if an agricultural producer seeks to develop a well for a center pivot to irrigate 100 acres of alfalfa, he or she must rightfully go through the State's permitting process in order to show that the water is both legally available and its use will not have an adverse effect on more senior water rights. However, under SB 19, if a subdivision is built next door and includes a well for each lot that, cumulatively, uses the same amount of water, no permit is required. Moreover, there is no basis for the senior water right holder to object. This makes no sense, and equity alone dictates that the permitting process should apply.

I am cognizant of the impacts of SB 19 on other uses, in particular land development. It is appropriate and necessary to have some threshold for well development that encourages development by allowing for new wells without the rigors of permitting. But on balance, SB 19 tips

SENATE JOURNAL  
EIGHTY-FIRST LEGISLATIVE DAY - APRIL 17, 2013

too far away from senior water rights and prior appropriation.

Accordingly, I am returning SB 19 with proposed amendments that accomplish four things:

First, recognizing that one size does not fit all, my amendments operate only in closed basins where the challenges of appropriating water for new uses, and the threats to senior water rights holders, are greatest.

Second, my amendments utilize a square 40-acre parcel of land as a minimum point of reference for new exempt wells, which is consistent with the standard already in place under section 85-2-306 for exempt stock pits. The spacing requirement for stock pits was designed by the Legislature to protect other nearby water appropriators, and the same rationale is applicable here.

Third, my amendments provide maximum flexibility to landowners by limiting application of the spacing requirements for new exempt wells to single parcels. This will still allow for the use of multiple new exempt wells on a single parcel, including the development of a new subdivision, and a landowner's rights will not be limited by the actions of their neighbor.

Fourth, my amendments protect existing rights.

I believe my amendments strike a better balance for Montana's agricultural producers and other senior water rights holders while still promoting development through the reasonable use of exempt wells. I respectfully ask that you support these amendments.

Sincerely,

STEVE BULLOCK  
Governor

**"20-9-518. (Effective July 1, 2013) County school oil and natural gas impact fund.**  
(1) The governing body of a county receiving an allocation under ~~20-9-104(6)~~ and ~~20-9-310(7)~~

SENATE JOURNAL  
EIGHTY-FIRST LEGISLATIVE DAY - APRIL 17, 2013

20-9-310(4)(b) shall establish a county school oil and natural gas impact fund.

(2) Money received by a county pursuant to ~~20-9-104(6) and 20-9-310(7)~~ 20-9-310(4)(b) must remain in the fund and may not be appropriated by the governing body until:

(a) the amount of oil and natural gas production taxes received by a school district for the fiscal year is ~~30%~~ 50% or less of the amount of the average received by the district in the previous 4 fiscal years; or

(b) the average price for a barrel of oil is ~~\$50 a barrel or less for the fiscal year; or as reported in the Wall Street Journal for west Texas intermediate crude oil during a calendar quarter is less than \$65 a barrel.~~ The average price for each barrel must be computed by dividing the sum of the daily price for west Texas intermediate crude oil as reported in the Wall Street Journal for the calendar quarter by the number of days on which the price was reported in the quarter.

~~(c) the production of oil in the county drops 50% or more below the average oil production in the county during the immediately preceding 5-year period.~~

(3)(a) Within 120 days following the end of the fiscal year, the superintendent of public instruction shall determine if the criteria in subsection (2)(a) have been met and the department of revenue shall determine if the criteria in subsection (2)(b) have been met.

(b) If it is determined under subsection (3)(a) that the criteria in subsection (2)(a) or (2)(b) have been met, the superintendent of public instruction or the department of revenue shall notify the county treasurer.

(3)(4) Within 30 days of any of the circumstances described in subsections (2)(a) through (2)(c) occurring, the governing body of the county Upon notification under subsection (3)(b), the county treasurer shall allocate 80% of the money proportionally to affected high school districts and elementary school districts in the county, which must be calculated by dividing the total funds available for distribution by the total number of quality educators, as defined in 20-4-502, employed by the qualifying school districts in the county in the immediately preceding school fiscal year. The number of quality educators used for the calculation under this subsection in a district with territory in more than one county must be prorated based on the average number belonging of the district residing in school district territory located in each respective county. A school district receiving this money may deposit the funds in any budgeted fund of the district at the discretion of the trustees.

~~(4)(5)~~ The governing body of the county may use 20% of the money in the fund to:

(a) pay for outstanding capital project bonds or other expenses incurred prior to the reduction in the price of oil ~~described in subsection (2)(b)~~ or the reduction in the receipt of oil and natural gas production taxes described in subsection (2);

(b) offset property tax levy increases that are directly caused by the cessation or reduction of oil and natural gas activity;

(c) promote diversification and development of the economic base within the jurisdiction;

(d) attract new industry to the area impacted by ~~the~~ changes in oil and natural gas activity leading to the reduction in the price of oil or the reduction in the receipt of oil and natural gas production taxes described in subsection (2); or

(e) provide cash incentives for expanding the employment base of the area impacted by the changes in oil and natural gas activity leading to the reduction in the price of oil or the reduction in the receipt of oil and natural gas production taxes described in subsection (2).

~~(5)(6)~~ Except as provided in subsection ~~(4)(b)~~ (5)(b), money held in the fund may not be
